

The Double Bush Hide

Assembly Instructions

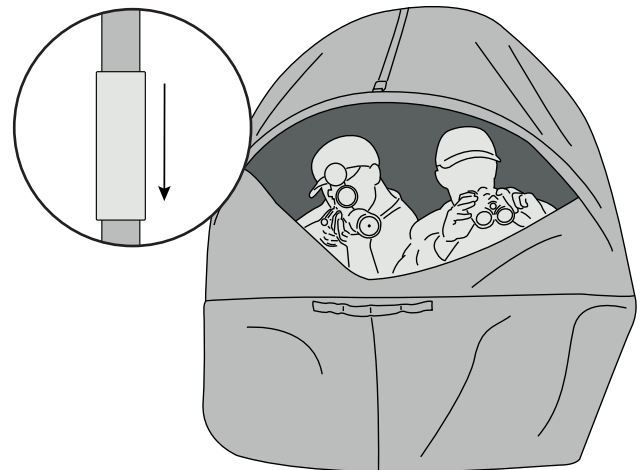

1 Remove Double Bush from the carry bag.

2 Unsnap the strap and open chair to full extension.

3 Grab steel bands from behind chair & pull forward until blind fully covers the chair.

4 Once inside the hide, locate the locking mechanism on the top corners of chair back. Slide locking mechanism over tab to lock top in place. The window is adjustable from the top strap. There is also a zip at the front for entrance and exit.

**Assembled
